What will be done to correct the problem?
IKEA will examine the product and decide, at its sole discretion, if it is covered under this warranty. If considered covered, IKEA through its own service operations, will then, at its sole discretion, either repair the defective product or replace it with the same or a comparable product. If it is covered by this warranty, IKEA will pay the costs of repairs, spare parts, labour and travel for repair staff, that IKEA incurs, provided that the product is accessible for repair without special expenditure. This does not apply to any repair work not authorized by IKEA. Replaced parts become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

Care instructions
Assemble according to the assembly instruction and secure the wardrobe frames by fixing them to a wall. Keep in mind that different wall materials require different types of wall fittings. If you are uncertain, contact your local hardware specialist. Wipe clean with a cloth dampened in mild cleaner. Then wipe clean with a dry cloth.

General legal rights
This warranty gives you specific legal rights. This warranty does not, in any way, affect the rights given to you by law. You may also have other rights under applicable provincial/territorial law. IKEA is not responsible for incidental or consequential damages. Some provinces do not allow the exclusion of incidental or consequential damages, or limitations in the warranties, so these exclusions or limitations may not apply to you.
