

BUYING GUIDE

Bed frames

A high standard of accuracy has been sought in the preparation of this brochure. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide. All the products shown here may not be available at the store. Some prices may vary by store. Please contact the staff or visit IKEA-USA.com for more information. For more detailed product information, see the price tag and the internet. All units require assembly.

A good day always starts with a good night.

In this buying guide you will find most of our adult bed frames, including daybeds and loft beds. You will also get an overview of our bed accessories, such as headboards and under bed storage boxes.

Most of our full, queen, and king size beds require a SKORVA mid beam, which is included in the price of the bed frames shown here, but you must pick it up separately in the Self Serve Furniture area.

You may need to complement the bed frame with a slatted bed base or foundation of your choice. Please visit our mattress studio to see the complete selection.

Of course, a bed is not complete without a mattress and bedding. You can find the best mattress for you in the mattress studio, and you will find a wide range of comforters, pillows, and bed linen in the textiles department.
