Значок с изображением перечеркнутого мусорного контейнера на колесиках обозначает необходимость утилизировать данное изделие отдельно от бытового мусора. Изделие необходимо сдавать на переработку в соответствии с нормативами местного законодательства. Правильная утилизация обеспечивает сокращение количества мусора, направляемого на мусоросжигательные предприятия и свалки, и снижает потенциальное негативное влияние на здоровье человека и окружающую среду.
