**ENGLISH**

The weight of the lamp must be taken by the suspension wire. When adjusting the cable make sure that it is longer than the wire.

**FRANÇAIS**

Le fil de suspension doit supporter le poids du luminaire. Lors de l'ajustement du câble, s'assurer que celui-ci est plus long que le fil de suspension.

**ESPAÑOL**

El hilo debe soportar el peso de la lámpara. Al ajustar el cable, comprueba que sea más largo que el hilo.
